

15 January 1957

THRU : Assistant Director for Research and Reports
THRU : Chief, Economic Research
THRU : Chief, Industrial Division
THRU : Chief, Shipbuilding Branch, D/I/RR

Letter of Appreciation.

1. At our request the Office of Ship Construction and Repair of the Maritime Administration has made a study of the cost of building a Russian tanker (Kazbek Class) in the U.S. This office has for many years cooperated with and furnished this branch with valuable information.

2. We request that the attached letter or other suitable acknowledgement and appreciation be forwarded.
